TIME FOR NEW DENTURES?

Has the fit of your dentures become loose? Do you have trouble chewing, or do your gums ache? It may be time for new dentures.

Even the most well made dentures typically have a 10-year lifespan.

BEFORE

AFTER

"Very patient and understanding staff. Great communication. Thorough cleanings compared to others I've tried. Happy to find this office! Dr. Torres is a receptive listener and treats his patients like family." ~ Judi
